

Liberty

Students are authorized special liberty for up to four days. Leave is required if the period of absence from the NWC local recall/residence exceeds four days. There are no liberty area limits (i.e. distance from the NWC), however, all travel of any duration outside CONUS requires that leave be taken.

It is mandatory that any student who will be away from their local recall phone for more than 24 hours provide an accurate number where they can be reached. A logbook is maintained in the Dean of Students Office.

TAD Orders

Students who have a need for funded or no-cost orders (TAD, TDY, TEMDU) should submit an orders request to the Dean of Students. The form is available in the Dean of Students Office. Funds for student TAD are quite limited, so students should not make travel or accommodations arrangements based on a presumption that funding is available. The decision to fund a request for orders is made on a case-by-case basis. Students conducting an ARP and assigned to the Center for Naval Warfare Studies will have order requests for travel funded through that office.

Permissive TAD (i.e., no cost to the government), provided it does not interfere with scheduled academic events, is normally given for one of the following reasons:

1. House hunting
2. Participation in competitive sports events
3. Attendance at conferences, symposia, etc., when such meetings directly relate to a member's background or primary duties.

Requests will be processed and approved through the Dean of Students Office.

Accountability/Recall Information

All students must provide their local address and telephone number to the Dean of Students Office and ensure that this information remains up to date and accurate.

Recall Procedures

In the event that urgent information must be passed to all students, recall procedures will be initiated. The Dean or Deputy Dean of Students will notify CNW and CNC&S class presidents and seminar leaders. Seminar Leaders are expected to hold current telephone numbers of all personnel within their seminar and will notify their members of any urgent information.
